IDA Members can quote, schedule and track freight
at *group discount rates!*

Did you know the latest tool for shipping freight is available simply by logging on to a web site?

Here's how freightquote.com makes shipping easy:

- 🔑 **Instant rate quotes**
Simply enter your origin and destination zip codes, shipment weight and class. Then select the lowest rate or quickest transit from our pool of carriers!
- 🔑 **Schedule shipments online**
Select your carrier, then request a pick-up without lifting the phone.

🔑 **No more paperwork**
Print out completed Bills of Lading from your desktop. No need to contact a carrier or fill out paperwork for the driver!

🔑 **Online tracking**
Keep all your transactions on file and view current tracking information online.

🔑 **Only one invoice per week!**
Less paperwork makes everyone's job easier! You can go online to query invoice and shipment charges. Or, call one of our customer service representatives if you prefer.

🔑 **Take control!**
Link your suppliers and distributors to control your inbound as well as outbound freight. Save even more money!

🔑 **Better Visibility**
freightquote.com can customize your account to include your own LTL carrier pricing programs along with freightquote's carriers to ensure you always receive the best deal possible, at no charge to you!
